Final Note by the Third Member of Council.

Subject :— Draft Rules for regulating Government grants to Orphanages and Asylums for destitute children.

In connection with the grant of Rs.50 per mensem from the Chattrams Savings Fund for the maintenance of the Veerasaiva Anathalaya at Tiptur, the Second Member (in charge of Muzrai Department) in his Minute dated the 10th July 1926, while approving of the grant to the said Anathalaya observed as follows:-

x x x x

"The whole arrangement under which grants-in-aid are being sanctioned for Orphanages is unsatisfactory. These institutions are mostly Boarding Homes for orphans attending schools. If the Government help was for institutions other than boys at school, the expenditure might have been viewed as a charitable grant and brought with propriety under the Muzrai Budget. Where the grants are for institutions which are really hostels for boys at school, it is only right to show them under the Education Budget.

"The Muzrai Department has no agency to periodically supervise the working of these institutions and the utilization of grants is practically left to the management of such institutions. This is not a satisfactory arrangement.

"Hostel grants allowed under the rules of the Education Department, no doubt, do not cover any part of feeding charges. But the Education Department maintains Boarding Homes for Adikarnataka students at Bangalore, Mysore, Tumkur and Chikmagalur and bears the whole charge of feeding the inmates of these institutions. Any subvention allowed to Orphanages which are Boarding Homes for boys at school, towards feeding charges may also be properly shown in the Education Department.

62 "We have now no rules to regulate the scales of grant for Orphanages. The grants allowed in some cases have been arbitrarily fixed and in the absence of a set of guiding rules it is difficult to deal with applications for grants for new institutions or for additional grants to institutions already in receipt of aid.

63 "It is desirable, in the circumstances stated above, to adopt a set of rules for dealing with applications of this kind."

64 He also suggested a set of rules.

FAR 65 The opinion of the Inspector General of Education was obtained on the rules suggested by the Second Member.

66 When the papers came up to me I noted in my Minute dated the 11th June 1927 that the rules were suitable and might be approved.

67 The matter was then considered in Council on the 7th July 1927 when the following resolution was recorded:-

110 I do not think it is quite appropriate that an order of this kind should be issued from the Muzrai Secretariat. That Grants-in-aid payable to Orphanages and Anathalayas should be provided for in the Education Budget is a point for settlement by the Education Secretariat and the authority for making ~~this~~ Such provision is the G.O. dated 4th August 1927. No fresh authority is, I think necessary. Again, the Muzrai Secretariat cannot fix what amounts are payable under the said G.O. to the institutions under consideration. (1) Since grants-in-aid to Orphanages etc are now governed by the G.O. of 4.8.27 which has to be worked by the Ed. As the Budget of the Muzrai Dept will show a corresponding decrease, owing to the omission of this item, there is no net increase in the State expdre on this account.

Sir,

I am directed to state that it has been usual to make provision for grants-in-aid to Anathalayas in the Budget of the Muz. Deptt. ~~but that the arrangement under which grants are being sanctioned is unsatisfactory~~ As the Muz. Deptt. has no agency to periodically supervise the working of these institutions and the utilisation of the grants is practically left to the managements of such institutions, ~~These~~ institutions besides, are mostly boarding houses for orphans attending schools and are really educational hostels, and cannot be ~~reviewed~~ viewed as charity grants and brought with propriety under the Muzrai Budget. The grants should, ~~therefore~~, be shown under the educational Budget. ~~It is true~~ that hostel grants allowed under the rules of the Education Department do not cover any ~~part of feeding charges~~, ~~but~~ The Education Department maintains Boarding Homes for Adikarnataka students ~~at Bangalore, Mysore, Tumkur and Chickmagalur~~ and bears the whole charge of feeding the inmates of these institutions, and the subventions allowed to orphanages, which are boarding homes for boys at school, towards feeding charges may in a similar manner be shown under the Education Department.

SIR,

With reference to your letter No.1336/Muz.118-26-5 dated 22nd January 1927 calling for my remarks on certain points in connection with the draft rules to be incorparated in the Educational Grant-in-aid Code for grants to Orphanages and Asylums for destitute children, I have the honor to state as follows:-

There is no need to make any specific provision in the draft rules, for equipment grants since the existing Rule V of the Grant-in-aid Code (copy enclosed) provides for the sanction of such grants to all educational institutions. To make matters more clear I would propose the addition of the words "Orphanages and Asylums" after the word "hostels" at the end of Rule III (iii) on page 5 of the Code.

As regards grants on account of rent, I agree with your suggestion in Rule 5 of the draft rules furnished with your letter No.1199/h Muz.118-26-3 dated 31st December 1926, and a suitable additional rule has been incorporated in the draft rules. I also propose that the words "including Orphanages and Asylums" may be added after the word "hostels" at the end of the existing Rule III (iv) of the Code.

I am generally in agreement with the draft Rules 4 and 6 fur-

furnished with your letter dated 31st December 1926 and I herewith submit a final draft of the rules incorporating all the changes necessary, and properly re-numbering the rules.

dt: TWO (one letter four)
Report for 26-27)
/D

To the Mysore Commissioner in Bangalore

Sir,

With reference to your letter C 964/27-28 dated 26th January 1928 forwarding a copy of the letter No 1146 Misc 11a-26 dated 19th Jan 1928 from the Secretary, e. to Govt, Financial Department I have the honour to reply as follows.

The total actual expenditure on the main Tainance of orphans and others in the Anathalaya as will be seen in the Report sent here with was Rs 5578-8-7 during the Year 1926-27 last year. only spinning and weaving were carried on in the Anathalaya. In September last Tailoring and dress-making have been started in addition Last month the Director of Public Instruction was addressed by the Managing Committee to sanction the erection of a workshop at a total cost of Rs 9,000/- for which the necessary plans

of the rules governing the sanction of grant-in-aid as per Government Order No. D. 1451-5 Ed. No. 35-27-11 dated 4th August 1927. Rule VI (1) of the grants-in-aid. (Vide page 15 of the Grants-in-aid Code) is applicable as per Government Order relating to building grants to this Institution. Accordingly this Anathalaya is entitled to receive a grant of Rs. 4,500/- which is one half of the total expenditure as above indicated. But in view of the facts that this institution has been existing for over a quarter of a century and has been struggling with perseverance to expand in usefulness and strength, enlisting the sympathy of the public and as the liberal and enlightened educational policy of the Government of His Highness

and estimate were also sent up. and his decision on the subject is awaited.

A Copy of the letter addressed to Director of Public Instruction is submi to you. I think you will kindly make a grant available for the workshop which will useful not only to the boys of the Orphanage also to the all boys seeking instruction wi reference to caste, colour or creed. We shall try to make pukka arrangements to tea the vocational subjects prescribed for the S.S.L.C. examination, and it will not be out of place to mention here that we invested Rs 25,000 for the Alaya building and the Government gave us a grant of Rs 5,000/- I hope you will kindly do your best to help the Institution.

I beg to remain sir,

No. 258.

To

The Director of Public Instruction

in Mysore,

Bangalore.

Sir,

I have the honour to state that the plan and Estimates relating to the proposed workshop to be erected as a part of the Mysore Anathalaya and Saradavilas High School have been submitted to you through the District Educational Officer, Mysore with this Office No. 257 dated 23-1-28.

It will be seen from the estimates that the building costs about Rs. 9,000/-. The Anathalaya practically satisfies all the conditions laid down in the Grant in Aid Code and is therefore entitled to the full benefits of the provisions under the Code. This Anathalaya has been in receipt of Government support and comes within the operation of the rules governing the sanction of grant-in-aid as per Government Order No. D. 1451-5 Ed. No. 35-27-11 dated 4th August 1927. Rule VI (1) of the grants-in-aid. (Vide page 15 of the Grants-in-aid Code) is applicable as per Government Order relating to building grants to this Institution. Accordingly this Anathalaya is entitled to receive a grant of Rs. 4,500/- which is one half of the total expenditure as above indicated. But in view of the facts that this institution has been existing for over a quarter of a century and has been struggling with perseverance to expand in usefulness and strength, enlisting the sympathy of the public and as the liberal and enlightened educational policy of the Government of His Highness

the Maharaja has now made provision for the vocational training of boys in all schools for general education and this Anathalaya has been maintaining boys attendi several of the schools in the City of Mysore and wish run a fully equipped workshop, I venture to request that you may be pleased to recommend for a grant of R. 6,000/ representing two-thirds of the total expenditure for th erection of the building under reference.

Weaving, tailoring have been started in addi tion to working charkas. Other items could not be started for want of accommodation, equipment, and the necessary training staff. When the building has become an accomplished fact the full programme is hoped to be put into operation.

The present season is said to be a favourabl one for building operations. I venture therefore to request you to be pleased to pass early orders in the matter, for which the Managing Committee will be very grateful to you.

I have the honour to be

Sir,

Your most obedient servant,

Mysore,

23rd Jan. 1928.

Report of the Anathalaya for 1926-27.

Sir,

We, the Secretaries of the Mysore Anathalaya have the honour to submit herewith, on behalf of the Managing Committee, the report on the management of the Alaya for the year 1926-27.

I. THE MANAGEMENT.

During the year under report the Alaya was managed by a Committee consisting of:-

Hon. Secretaries.

2. Mr. M. Venkatakrishnayya.
3. " K. Chandrasekhariah, B.A., B.L.,

11. " K. Hanumantha Rao.
12. " H. Subba Rao, B.A., B.L.,
13. Ayurveda Vidwan Mr. Palayam Venkatachala Pandit.
14. Mr. B. Narasinga Rao.
15. " V.S. Murthy.

50

16. Mr. P. Narasimhachar, B.A.,

17. "S. Vittal Rao.

(18. "H. Seetharamiah.)

In place of Mr. H. Sitharamiah who expressed his inability to be on the Committee, Mr. C.B. Lakshmana Rao, was requested to take his place in August 1926.

II. Number of students in the Alaya.

At the end of the year 1925-26 the number of boys on the roll was 69. At the beginning of the year under report 20 boys left the Institution, some on account of their completion of studies, some on account of their marriage and others for study at Bangalore. There were 82 applications for admission but owing to the limited resources of the Institution only 27 could be admitted. Thus the number on the roll stood at 84 including 8 weekly boarders distributed as follows:-

College ..	6
English High Schools..	57
Kannada " ..	3
Middle Schools. ..	2
Other Schools. ..	8
Weekly Boarders. ..	8
Total	84

The percentage of passes in the various examinations was highly satisfactory as compared with that of the State as a whole, as may be seen in the following results:-

Examination.	No. Appeared	No. Passed.
B.A. Degree.	4	2 and 1 in 'A' group.
First Year Course.	1	...
Entrance.	14	4
S.S.L.C.	19	12 E.C. & P.S. 3 E.P.S.
Upper Secondary	1	1
Lower Secondary.	2	1

All students other than the above were promoted to the next higher class in their respective schools and Colleges.

III. Nature of training given.

The students are trained strictly on national lines. Their daily routine of life is regulated. They get up at 5 a.m. perform their ablutions and finish their "Sandhya", recite their morning prayers, attend to their lessons till 9.30, when they are called for breakfast. At 10.30 they repair to their respective schools and Colleges, return at 5 P.M., attend to games and sports till 6.30, when they perform their "Sandhya" and offer their evening prayers to God and invoke His blessings upon His Highness the Maharaja, and the Royal family, take their supper, study till 10 P.M. when they go to bed.

The College students help the Highschool students in their studies, and are made responsible for the maintenance of discipline. They are helped by a warden and prefects among the students themselves. Thus great care is taken to see that the general health, study and moral conduct of the students are both secured and promoted.

It gives us great pleasure to acknowledge the interest evinced by Messrs. L.S. Saptarshi, M.A., L.T., and T.B. Subba Raj Urs, in looking after the Education, sports and physical culture of the students.

As was stated in last year's report, more and more attention is being given to the promotion of vocational training, which it is contemplated would enable the boys to stand on their own legs. In addition to spinning and weaving, a tailoring class is also started recently and ten students are being trained every day under a competent teacher.

The contemplated workshop could not be put up as conflicting suggestions were in the way. A plan and estimate for a sufficiently spacious and strong structure to afford room for training in several vocational subjects are nearing completion and before long it will be an accomplished fact.

IV. The Orphanage Union, Reading Room and Library.

The students have their Union with a library and Reading Room attached to it. The Library consists of more than 2,000 Volumes. The grateful thanks of the Committee and the orphans are due to Messrs. J.C. Rollo, M.A., Principal, Maharaja's College, Mysore, B.M. Srikantia, M.A., B.L., Registrar, Mysore University, and B. Krishnappa, M.A., Assistant,Professor Maharaja's College, Mysore, who have kindly given many valuable books to the Library.

The Reading Room gets the following papers and magazines as free gifts. We are highly indebted to the

proprietors and editors of the following papers and Magazines for supplying free copies of their papers to the Orphanage Union.

List of papers and Magazines.

(1) The Madras Mail. (2) The Wealth of Mysore. (3) The Sampadabhyudaya. (4) Sri Venkatesvar Samachar. (5) The Indian Social Reformer. (6) The Kantirava. (7) The Vrittanta-patrika. (8) The Times of India and Indian States. (9) The Calcutta Review. (10) The Educational Review. (11) The Mysore University Magazine. (12) The Mysore School and ~~social~~ scout Magzine.

The Union held fortnightly meetings in which social, moral and Educational questions were discussed. The meetings were presided over by some of the lecturers and teachers of the Maharaja's College and of the various High Schools.

V. The Board of Visitors:-

Messrs. (i) A.V. Ramanathan, B.A., Deputy Commissioner, Mysore District. (ii) N. Madhava Rao, B.A., B.L., President of the Mysore City Municipality. (iii) A.B. Mackintosh, M.A., Principal in charge of the Maharaja's College, and (iv) J.C. Rollo, M.A., Principal of the Maharaja's College, constituted the Board of visitors. They visited the institution twice and helped the management with valuable suggestions which have been given effect to.

VI. Income and Expenditure.

The Income of the Alaya from all s urces during the year under report was R$.8,387-15-5 detailed as

below:-

		Rs.	As.	P.
1.	Grants	2,280	0	0
2.	Donations	1,540	6	10
3.	Subscriptions ...	1,129	4	9
4.	Application fees ...	1,166	6	3
5.	Interest on capital sales etc., ...	269	6	7
6.	Value of materials received free.	2,002	7	0
	Total...	8,387	15	5

As against this income of Rs. 8,387-15-5 there was an expenditure of Rs. 5,578-8-7. It is the desire of the Committee to build up a fund to enable them to complete the half finished portions of the building and to effect the urgent needful repairs and also enlarge it as far as possible and effect improvements in other ways. They are therefore particularly grateful to the generous public who have so willingly responded to their appeals.

The Committee also appreciate the spirit of "Esprit de Corps on the part of the students, who managed the afairs of the Alaya by themselves efficiently and economically which helps to inculcate in them the sense of self-reliance so greatly needed among the rising generation. a newly appointed manager, Mr. C. Suryanarayana Rao, has been devoting great care in the supervision of the affairs of the Alaya.

The Managing Committee of the Saradavilas High School approached the managing Committee of this Alaya for Copperation in raising a permanent building for their High School on the site belonging to Alaya under conditions agreed to by both, the Committee, in a meeting resolved that the ------- ----------

that the open space to the south of the Alaya may be made available for the purpose and also to contribute a sum of Rs. 5,000/- on condition that the Alaya boys be admitted free to the High School.

VII. Conclusion and thanks.

There are in the City a large number of indegenous orphans undergoing great hardships and privations. These boys deserve encouragement and help. Industrial education to those who are not fitted for higher education in arts is necessary. In fact it has been the end and aim of the management of the Alaya to help those who have special qualification and talent for higher education and prepare the rest for industrial education. It has therefore been decided to erect a spacious workshop towards the northern portion of the building. The estimates and plans are nearing completion and the construction work will be started as quickly as possible after getting the departmental approval. Meanwhile spinning, weaving and tailoring classes have been started under competant teachers.

The scope for humanitarian work in respect of orphans is very vast and our appeal to the public has been very earnest, and hope that the response will be commensurate with the need.

The managing Committee are very grateful to His Highness the Maharaja and His Government; His Holiness the Jagadguru of the Sri Sringeri Mutt, the Late Kikkeri Subba Rao's Charities, to the Free Mason's Lodge and a host of other charitable people who have extended their liberal

help in the form of grants, donations and subscriptions which are shown in the lists annexed hereto.

I beg to remain,

Sir,

Your most obedient servants,

K. Chandrasekharaiah,

Hon. Secretaries.
